At the bottom of the application card is space for one endorsement of a Member or Associate Member of SCSEA. It is preferable for you to secure this endorsement from a qualified member who knows you personally. If this is not practical, please forward the application to the Association with perhaps a brief resume in lieu of endorsement.

The admission process requires as a pre-requisite to joining this association, membership in one the Structural Engineers Associations of Central California, Northern California, San Diego or Southern California. SEAOC membership information is available at www.seaoc.org.

*Industry Members and Subscribers are not required to be a member of SEAOC.
